REASON FOR RETURN:

Parts being sent in for service work

Core Exchange

Core Refund

*NOTE: Please take extra care to package your parts so they are not damaged in transit. If core refund parts are received that are damaged no refund will be applied.

PLEASE NOTE THE FOLLOWING:

All packages sent to Fuel Moto must be properly packaged. Customers are responsible for return shipping and shipping insurance. If Fuel Moto receives a product that is damaged as a direct result of poor packaging the customer will be contacted for return shipping information/payment or disposal information. All we are asking is that you take some care when sending in your product, especially taking into consideration heavier items such as engine components.
